Website summary

Toynton All Saints Primary School is committed to protecting the personal information of pupils, parents and carers, staff, governors, volunteers and visitors. We process personal data in accordance with the UK General Data Protection Regulation (UK GDPR) and the Data Protection Act 2018.

We use personal information to educate and support pupils, safeguard children, meet our legal duties, manage staff and operate the school effectively.

How we use and share information

Where it is necessary and lawful, information may be shared with organisations such as the Department for Education, the local authority, healthcare providers and other agencies to support a child's education, welfare or safety, or where required by law.

Your rights

You have rights in relation to your personal data, including the right to ask for access to information held about you and to request that inaccurate information is corrected.

Further information

Please refer to the school's full privacy notices and policies for more detailed information:
